TRANSFORMING THE LIVES OF SUMMER CAMP STUDENTS

"My son's reading skills are improving and he is reading above grade level. He enjoys reading and while I know he doesn't always "get" all the words, he is still enthusiastic... While focus and impulsiveness are still areas that he is working on, I can see improvement."

Christine, 2014 Spy Camp Parent

"Spy Camp and the training I have received through HLR has taught me to not only appreciate the differences that children bring to the classroom, but also how to accentuate and develop their strengths, while also recognizing their struggles."

Elizabeth Oden, 2010-2014 Spy Camp Teacher

"When Hawaii Learning Resource approached us to develop a program for students on Hawaii Island who had not yet found success in school, we were excited and eager and the results have exceeded all our expectations."

Jyo Bridgewater, Former K-8 Principal, Assets School
